### Wine Bag:

A Celebration Scroll-*Red* Bag Top-Cut (1) 3" x 12"

B Celebration Scroll-*Gray* Drawstring Channel-Cut (1) 1.5" x 12.50"

C Grapes & Wine Bottles-*Black* Bag Body-Cut (1) 13" x 12"

D Celebration Scroll-*Gray* Handle-Cut (1) 2.5" x 18"

F Mini Grape Leaves-*Black* Charm circle

E Cut template circles (4) of each color A-F (This will make a set of 4 charms)

1. Fold under .25" of A bag top and fold over another .25". Press and top stitch.

2. With right sides together, pin and sew A bag top to C bag body making sure your finished edge is at the top. Press seam towards A bag top.

3. Fold under and iron .25" on both long edges of B drawstring channel. Fold in .5" on both short ends. Top stitch the short ends.

Pin top edge of B drawstring channel to seam of C/A bag body on the wrong side of the fabric, making sure the channel is centered so the short edge isn't in the seam allowance. Top stitch B to C/A on both top and bottom of C, starting 1/4" in from edge and ending 1/4" from the other edge.

Top stitched edge

Start and stop 1/4" from edge of channel

4. Fold in half with right sides together. Sew the two raw edges of the bag. Be sure to **leave an opening at the drawstring channel**. Flatten seam allowance and tuck under channel, top stitch the over the tucked seam allowance and channel.

Leave open between dots

Fold in half, right sides together. Sew on two raw edges. Leave open at the drawstring cover, noted by the dots.

With seam facing you, tuck seam allowance under channel, topstitch.

5. With bag folded and seam facing you, mark each fold with a fabric marker. It should measure 2.75" from seam allowance. This will be where you will eventually attach the handle.

6. Pull out bottom corners and re-flatten, Sew across 1" in from pointed edge. Trim of excess.

7. Fold under .25" along top and bottom long edges of D handle. Press.  
 Fold under .25" along short edges of D handle. Press.  
 Fold handle in half and topstitch along the long edge.

8. Place D handle inside bag so the end of the handle meets the seam C/A at the mark from step 5. Repeat for other end of D handle to the other mark. Pin to bag. Top stitch each side of D handle at the A/C seam and also at top of bag, so it is secured in two spots. \*\*Do not sew into the channel.

9. Thread ribbon through the drawstring channel. Tie a knot on each end.  
 Fill with wine bottle and Cheers to uncorking your best sewing project yet!!

### Glass Charms/Coaster - fits a 3.25" base

1. You will need 5 circles per charm: Trace circles. Fold circle in half, wrong sides together, press. Repeat for 3 more circles.

2. Place one circle right side up, this is the backing. Place folded circle on top of backing. Place next folded circle rotating 90°. Repeat, rotating the next folded circle 90°. Repeat again for last folded circle and tuck one edge under first folded circle.

3. Pin and Sew around edge using a .25" seam allowance. Clip curves & turn right side out thru the
