*Thank you for sewing with me!!*

*I hope you “Pawsitively” love your quilt.*

Sew with fabrics Right Sides Together (RST)

This pattern uses a .25” seam allowance.

## \*\*HELPFUL HINT\*\*

When cutting strip sets. Line up your ruler on the stitching line to cut your strip sets apart. This will result in a straighter finished piece.

1. Place the 6" x 6" E-black and F-white squares right sides together (RST). With a ruler, draw 2 diagonal lines on wrong side of white fabric. Sew white square to black square sewing 1/4" seam on **BOTH SIDES of diagonal lines (DON'T SEW ON THE LINE)**. Repeat. Cut square in half and in half again so you have four 3" squares. Cut the diagonal lines of those pieces. Gently press open; you do not want to stretch your square. Square to 2". You will have (16) half square triangles.

Cut into 8 triangles

2a. RST, Sew one piece of D-white strip to C-black strip, press towards black. Sew another D-white strip to other side of C-black strip, press towards C-black. Cut into (8) 2" rectangle pieces.

2b. RST, Sew (12) half square triangles to C-black strips, press towards triangle as shown. Cut into (12) 2" pieces \*\* and set aside (4) of them.

RST, Sew each of the (8) rectangle pieces to C-black strip as shown. Cut into 2" pieces \*\*. Press away from rectangle piece.

You will have (12) rectangles, set aside (4) rectangles for later

You will have (8) pieces

2c. RST Sew 2a & (8) 2b as shown. Press towards rectangle strip set.

You will have (8) pieces

2d. RST strip sew (8) pieces from last step to B-white strip. Trim to 3.5" pieces\*\*. Press away from B-white strip.

2e. RST, Sew (4) half square triangles to D-white strip as shown, press to triangle. Cut to 2" pieces\*\*.

RST, Sew D-white strip to remaining (4) 2b pieces that you set aside earlier, press to triangle. Cut to 2" pieces\*\* creating an updated 2b. Sew 2e and updated 2b together as shown. Press away from updated 2b piece. Trim to 2" x 8".

Remaining 2b pieces

You will have (4)

Updated 2b pieces

2e

2b updated

2f. Arrange and sew pieces from 2d, 2e, & 2d (rotated) as shown to form Bone Block. Press towards center. You will make (4). Square blocks to 8".

3. Sew A-blue to top and bottom of Dog Panel Blocks. Trim and press. Sew A-blue to sides of Dog Panel. Trim and press.

4. Sew G to both top and bottom of quilt top. Trim and press.

5. Measure the height of your quilt. It should 18.5". If so, cut (2) 19" strips from G (If not, add .50" to height of quilt to get your measurement to adjust cut of strip G). Sew Bone blocks to both ends of G strip as shown. **Note the direction of dog bones.** Press.

6. Rotate and sew strip from step 5 to sides of quilt panel. Press. **Note the direction of dog bones.**

Add backing and batting. Enjoy your new throw quilt and cuddle up with your favorite furry friend.

PRINT 2 Bones for machine quilting; Cut out both bones for tracing.

Trace the whole bone on each of the short side borders.

Cut the short ends off the of bone and tape together long ends with the piece B.

TAPE PIECES TOGETHER TO MAKE ONE LONG BONE
